This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

Lesley Harvey

PHOTOGRAPHED BY JACK ROGERS

If you're successful we'll invite you to London, pay you £150 for the day's work plus travelling expenses and overnight accommodation, build a special set and lay on a make-up artist and a professional photographer to make sure you look your best. There's also a £25 prize for whoever took the original pictures of you. You'll never know unless you try — and it's great fun being a star for a day!

Durham or London, take your pick. What we mean is; she's from Durham, but is currently a student at a London Nursing College. Just our luck we caught her during the holidays and had to fork out for a return train trip from the North East. But worth every penny. Lesley is 20 years old and has a 36D-24-36 figure. Plus that slightly haughty, put-you-in-yer-place look. Which is why we decided on the French windows and chaise longue.

She does lift a teacup to the manner born, at any rate. But you can never tell people's personalities from their faces. We should have known better. Lesley isn't the least bit haughty, and the kind of place she'd put you in . . . you'd love it!

Lucinda Harvey-Bristols

PHOTOGRAPHED BY RAPHAEL

She loves to pummel the pommel, you see. Can't get enough of that equestrienne stuff. A fine thoroughbred between the thighs and all those lovely hands high — 16 at least!

Meanwhile, away from the gymkhana, Daddy's bought her a rocking horse. He thinks she's a bit old for that sort of thing, but dotes. If he only knew.

Now she's looking for a groom
— her mane man, so to speak.
The successful applicant will be
male. His duties will include:
— currying favour, mucking out the
library and the ability to dress up
— in hunting pink, smoke a pipe,
— sit in a chair — and watch.
Applications, in writing please,
to Ms. L. Harvey-Bristols,
Stirrup Grange, Wapping-on-the-
Withers, West Riding, Yorks.

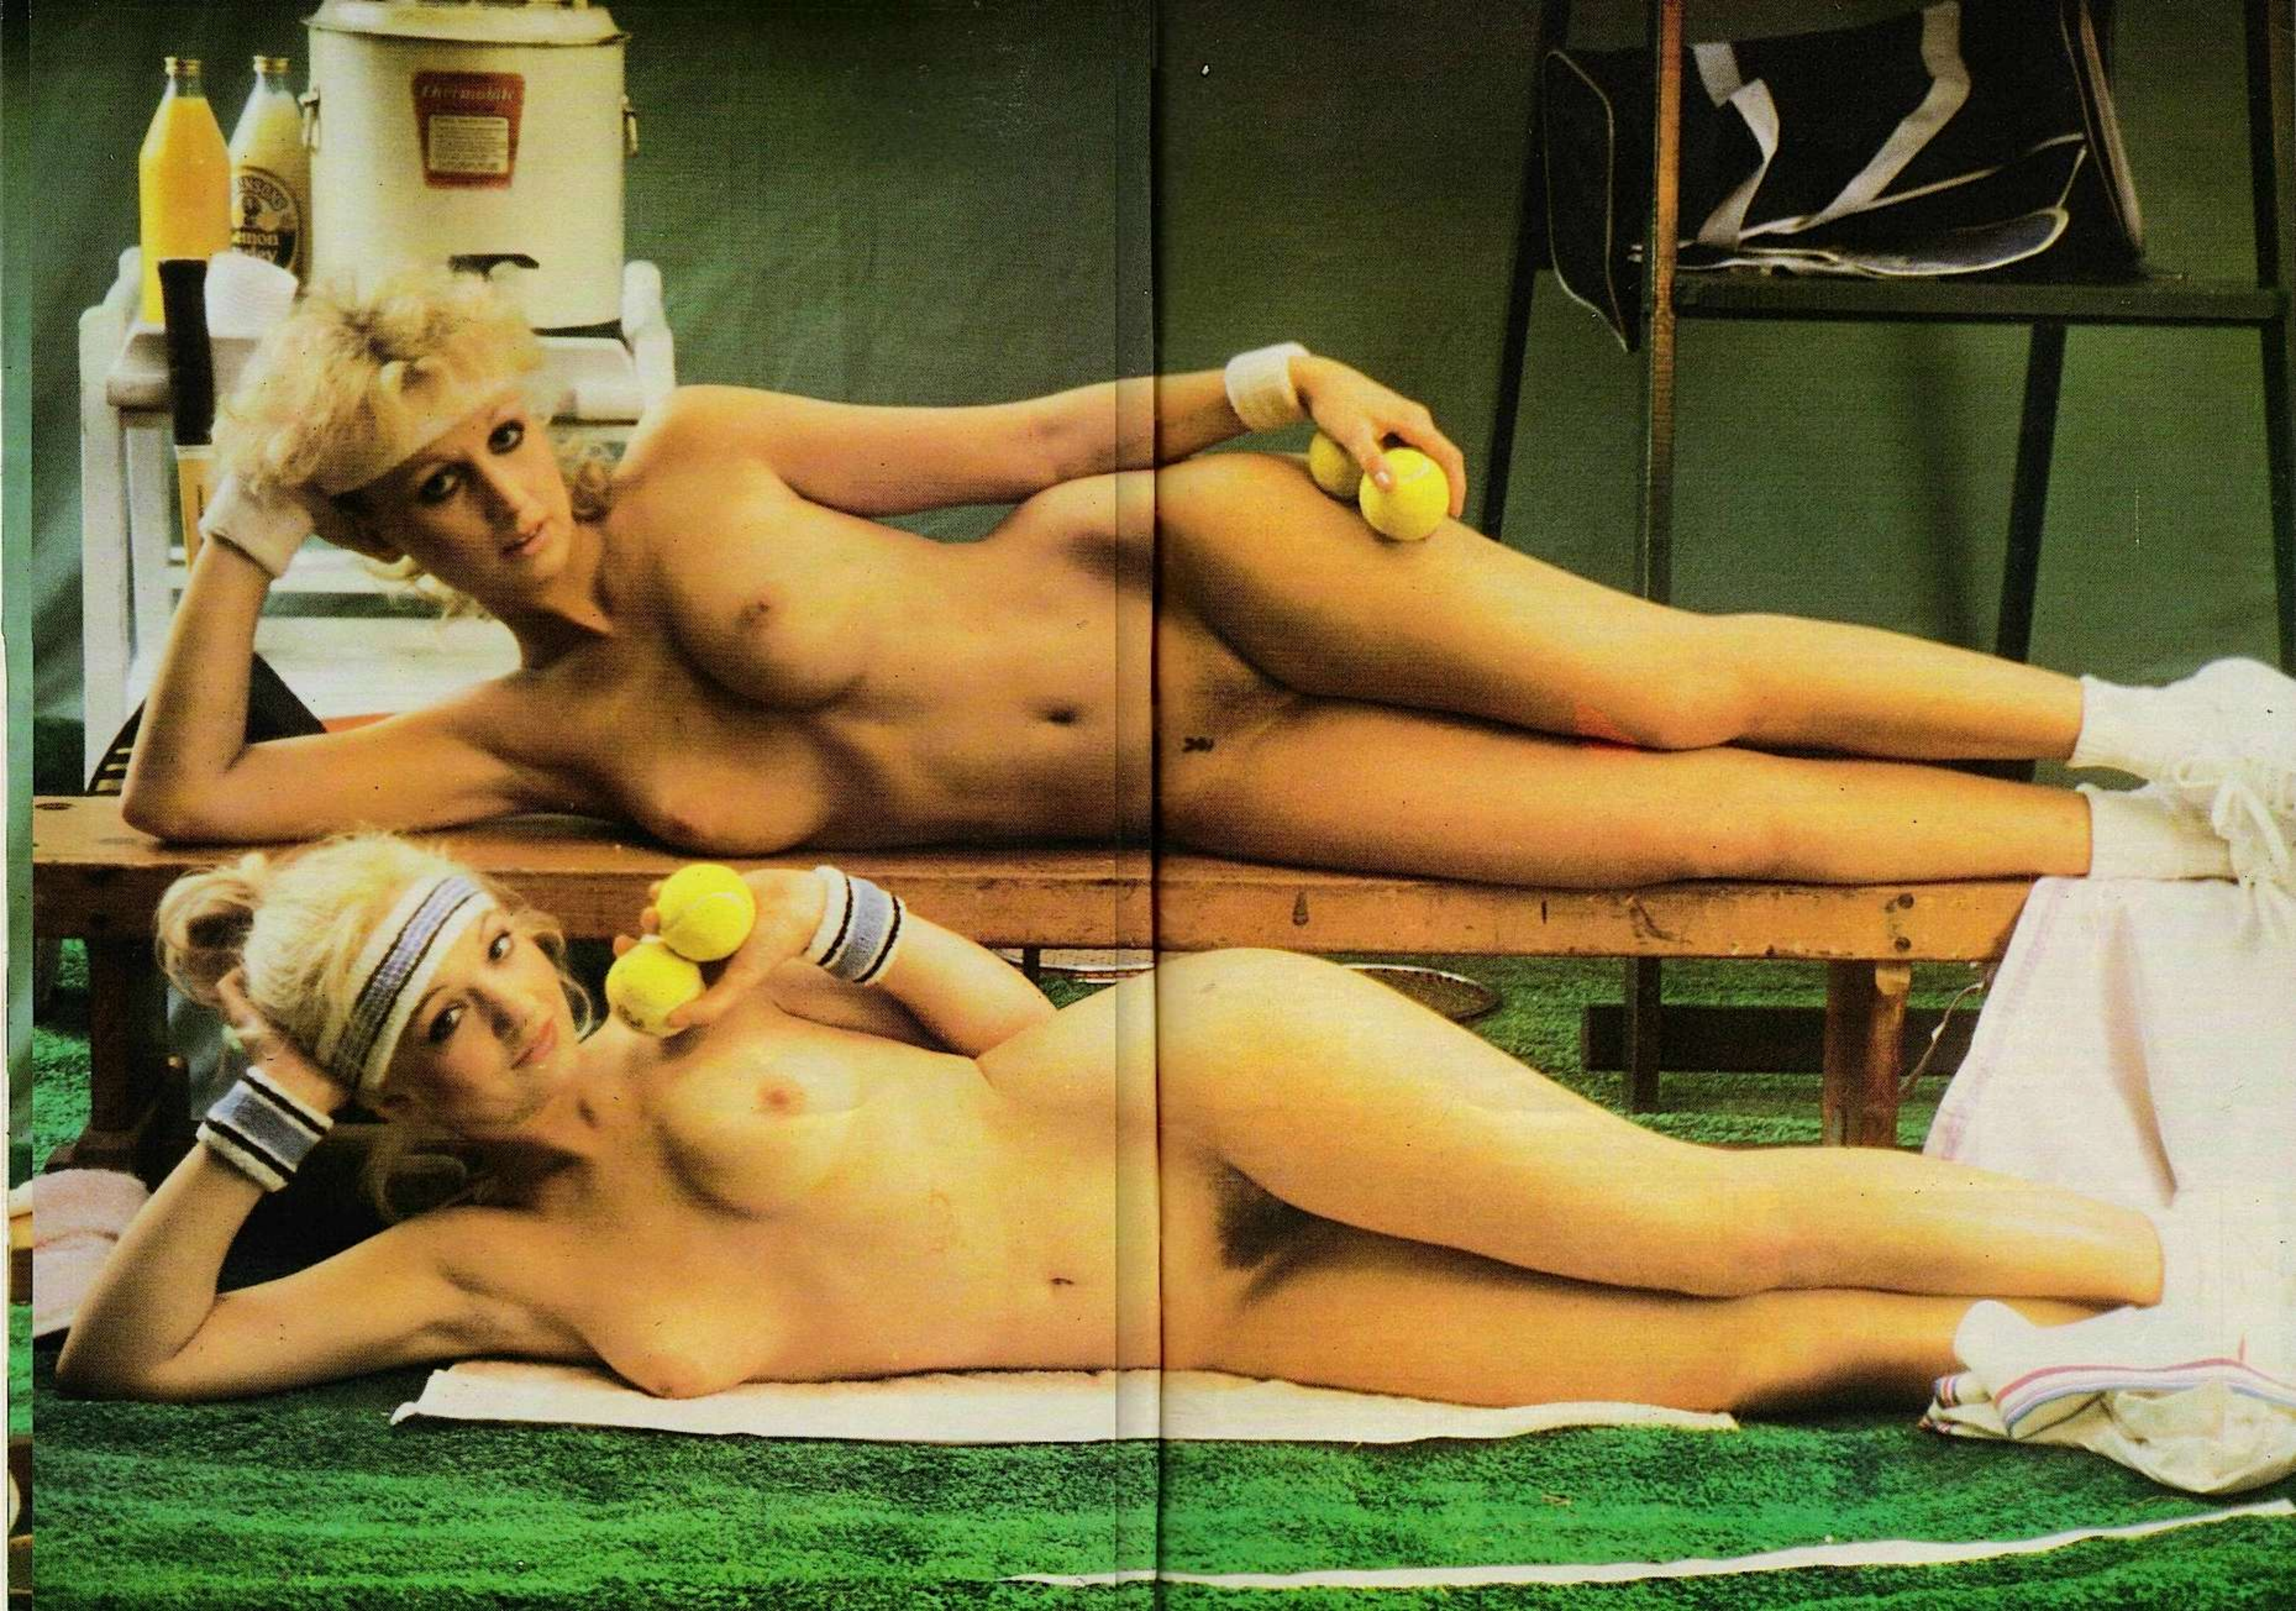

Melissa and Lindie

Two weeks of sweatbands, seeds, topspin lobs, advantage McEnroe, balls, mixed doubles, overhead smashes, hard luck on the English chap, balls, bad calls, racquet abuse, new balls please and more balls. Never mind, if the only thing you're looking forward to is the blonde with the nice bum bending over the net while her partner receives service — this is for you!

On the left we have Melissa; 5'4½" tall, 36-24-35, shoe size 4½ — on the right; Lindie, 5'1" tall, 36-24-36, shoe size 3½. And they each possess a mean, two-fisted backhand grip. After a sensual three setter (all games to love) the girls decided they'd make a marvellous doubles partnership. Further discussions of an intimate nature blew the umpire clean out of his boots.

Merilee

PHOTOGRAPHED BY STEPHEN HICKS

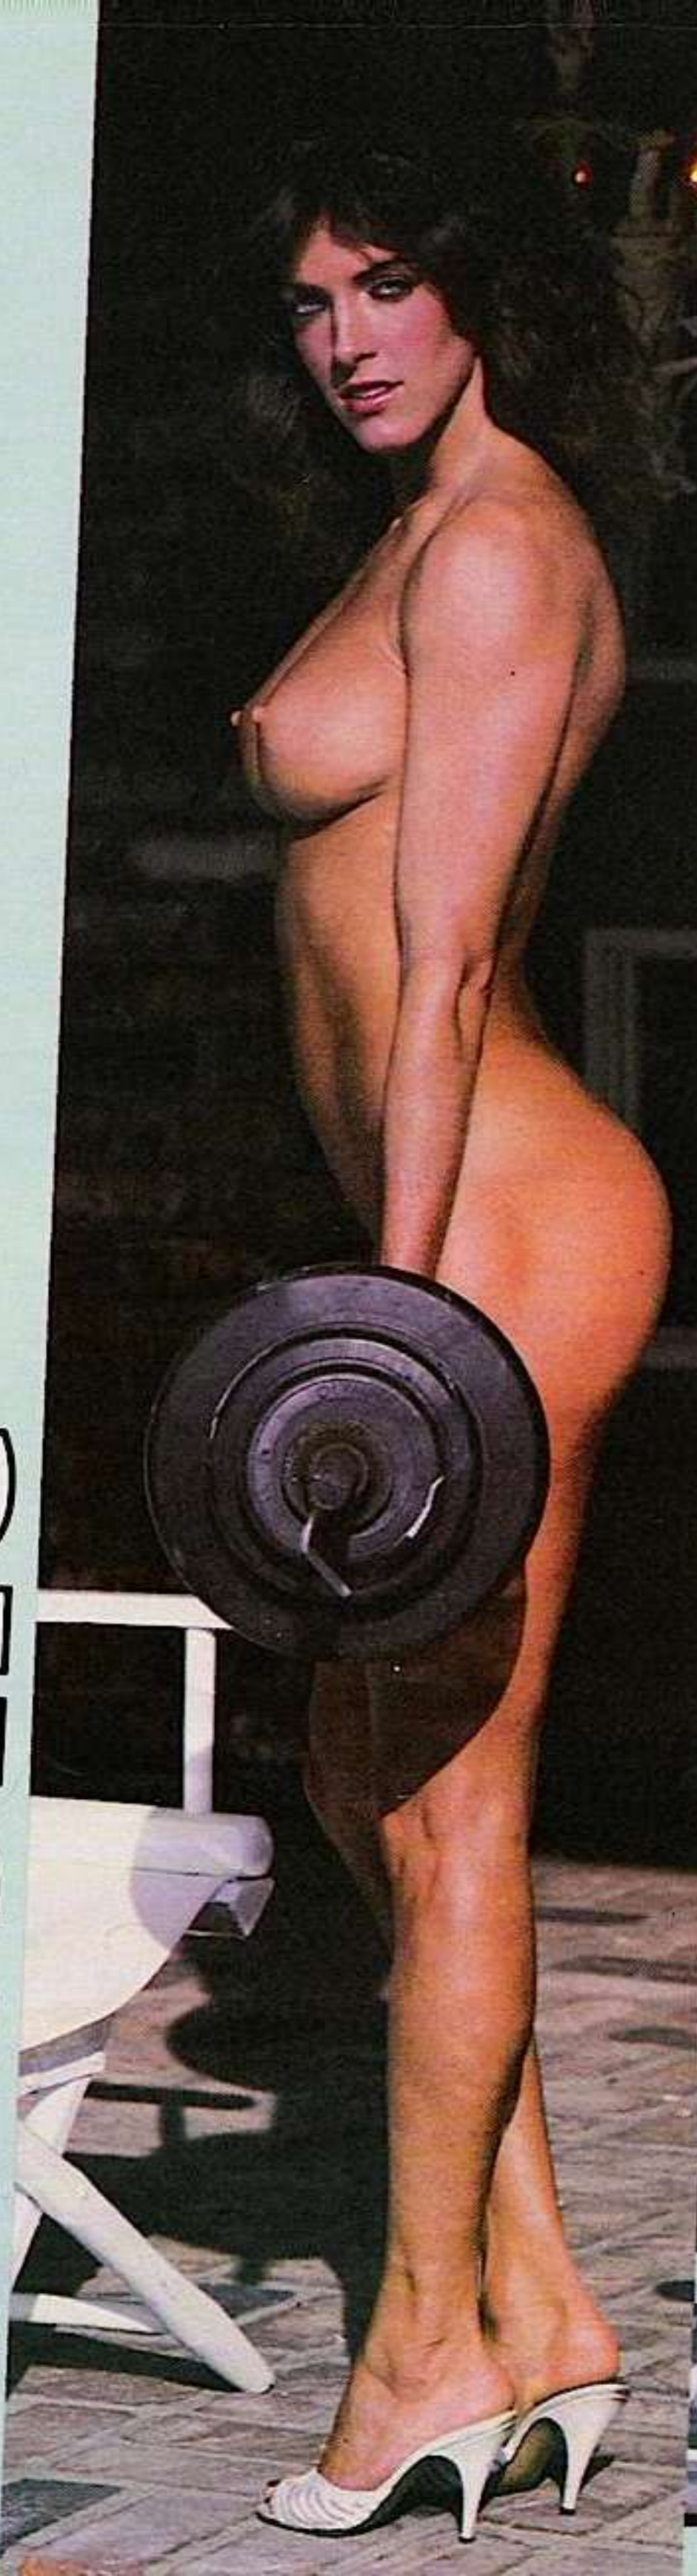

She comes from Minneapolis, Minnesota. She's 19 years old and moved out to Hollywood nearly two years ago, looking for some fun. Claims to have found it. Friends say she has already lived enough for two lives. She just smiles. A lot. Her 35-23-36 figure may be a bit slim-line for Californian tastes, but she gets by. Big smiles help a lot. So far she's modelled her way into most of the top American men's magazines under a variety of names. She might well try one of those naughty films soon. "Why the hell not, all the other girls are doing it and the money's good!" No doubt she'll be turning up in Jim Dawson's *Porn Cocktail* column soon — then we might find out what she's really called . . .

Simone

We can't remember her name, so we chose Simone. That's because the Art Editor wanted a name made up of letters that didn't have long tails on (like 'i' or 'y') or long stalks on (like 'h' or 'd'). Hope you like the design, anyway. There is one thing we do know about her though; she's an American body-builder — and she's won prizes to prove it. Now we don't know how you feel about these super-fit ladies. I mean, they look terrific when they're relaxed — but terrifying when they're all pumped up and loaded for bear. The Editor obviously likes them, but he's probably a latent lifter. (No, not a weight lifter, a shirt lifter — pay attention!) So why not squander a stamp and write and tell us? (Answers, on a postcard, to: Thunder Thews, 252 Belsize Road, London NW6. Best letter wins a year's subscription — promise!)
